

PATCH Teen Educator Wausau, WI

PAID (\$\$\$) Position for High School Students

WHAT IS PATCH?

PATCH stands for Providers and Teens Communicating for Health. In order for you to be your healthiest, we believe that YOU (and other teens) should be able to have open and honest conversations with trusted health care professionals (like doctors, nurses, and pharmacists). Many teens don't have that support from their health care providers. But, THAT IS WHY PATCH EXISTS!! We want to make sure that ALL youth are able to get the health care they need and deserve.

TEEN EDUCATOR POSITION DESCRIPTION

We believe that for YOU (and other teens) to be your best self, you should be able to have open and honest conversations with a trusted health care professional. For many, this isn't the case. That's why PATCH exists! We want to make sure that ALL youth are able to get the health care they need and deserve, and we think YOU can be part of a team to help make that happen.

In this program, we ask YOU to be the expert and share what you know about being a teen, like:

- What are the biggest concerns you and your peers have about health and health care?
- What are things that make you comfortable or uncomfortable accessing health and health care services?
- How much do you and your peers know about your health care rights as a teen?
- What information and resources do you and your peers need?
- And so much more!
